If you need a ride on the island, please feel free to call the Peaks Island volunteer listed above for the day you need a lift. It's best to call a day or so before to set up an appointment, if possible. The drivers may not be sitting at home waiting for your call; they may be out picking up or delivering someone else, or just enjoying the summer air. Most have answering machines, however, so leave a message or try the substitute driver. We'll do the best we can! If you're going to the doctor, or shopping, or just need to get to the ferry and, for some reason, you can't "hoof it," help is on the way! The usual hours are Tuesday through Friday daytime hours, but if you're really in a bind at other times, give any of us a try.

Peaks Island Children's Workshop
71 Herman Ave. 207-766-2854

We can't believe that summer is more than half over!! We still have so many things planned and not enough sunny days. The Island Rovers have been going to Crescent Beach on Friday's and are enjoying the waves and sand. They have also been exploring the tidal pools with their new giant lens "water scopes". The Preschoolers have been very busy with projects such as colored macaroni necklaces, glitter painting, Dinosaur tag, and much more. Our lifeguard has also been taking the preschool group to the island beaches on Tuesdays and Fridays to cool off in the ocean water.

We currently have openings in Preschool and School Age (full time, part time, and half time slots available). We offer financial assistance to families that qualify. Please call for an application or more information.

The Peaks Island Food Pantry is open from 7am-6pm, M-F. Please stop in if you are in need. We are still accepting non-perishable food items. Please check the dates on donated items, we cannot accept out of date products. You may drop off items at the center or call and we will pick them up. **A Big THANK YOU goes out to Kimberley's Travels for donating a portion of her weekend clothing/jewelry sale to PICW! She had great weather and lots of shoppers! Also, thanks to Jones Landing for hosting the sale on their lawn. The children and staff of PICW appreciate all that this wonderful community does for their center!**

Neighborhood Planning Workshop Scheduled for Sunday, August 4th

Peaks Islanders will meet on Sunday, August 4th to plan their future as part of Portland's Neighborhood-Based Plan process to determine the future character of our unique community.

The August workshop will include reports by thirteen volunteer Planning Task Teams that have spent the past six months researching State of Maine planning topics ranging from housing to population. Other Task Teams have studied water and other natural resources, marine resources, historic and architectural resources, land use patterns, transportation, recreation, public facilities, the economy, and relations with the City of Portland. Another team is developing a vision statement to describe the island in the year 2020.

Task teams will present data based upon their own research and then compiled with the island-wide Community Survey conducted earlier this year. More than 550 full-time and part-time islanders completed the six-page survey that offers insight into virtually all aspects of life on the island.

The Workshop, which will be held from 1 to 5 PM at the Lion's Club, offers opportunities for dialogue among task team members and their neighbors. Each task team will display its findings at individual dialogue tables. Neighbors will move from table to table to discuss research results with team members and add their own suggestions. Workshop information will be compiled and written into a draft Neighborhood-Based Plan that will be submitted to the City of Portland's Planning Department later this year.

Among Peaks Island residents who have been coordinating the process are Island Institute Fellow Nate Gray, Bill and Nancy Hall, Cynthia Cole, Barbara and Chris Hoppin, Art Astarita, Lynne Richard, David Cohan, Dick Springer, M. J. Burnette, Charles Enders, Keith Hults, Kim MacIsaac, Peter Deane, Marjorie Phyfe, Louis Mandeville, Curtis Rindlaub, Barbara Strout, Brenda Buchanan, Jenny Yasi, Doug MacVane, John Erdman, and Jamie Carlson. Tom Fortier, the City of Portland's Island and Neighborhood Administrator, also provided assistance.

For more information, contact Chris Hoppin 766 2593, Bill Hall 766 2514, Nate Gray 766 2202 or Cynthia Cole 766 5550.

Peaks Island School

Summer news: A volunteer committee of parents and teachers met to interview and select a new teacher for our first and second grades. We are pleased that Tonya La Chance, a native of Maine and a teacher with three years' experience in the Los Angeles school system, will be joining us when we open September 5th.

More good news is that the Parks and Recreation Before and After School Program will begin this school year. If anyone knows someone who is interested in working in this program, please give Barbara Hoppin a call at 766-2593.

Finally, our new Playgound has been approved! We will be developing a committee of parents and other community members to work on plans for it during this coming school year.

Have a super summer. See you soon!

Support Peaks Affordable Senior Housing/Health Center Project!!
TUESDAY, AUGUST 13, 6:30 PM, at Portland City Hall

The Portland Planning Board will hold a Public Hearing on 8/13 to listen to citizens' comments on our Central Avenue project. That evening, they will VOTE to accept or reject it. You may plan to speak or simply lend your support by being there, but **please** take a few hours from your busy summer to show Island-wide support for this important community project. Questions? Call Kay Taylor: 766-2811.

An update from the "Jump and Pump for Your Good Health" committee:

GREAT JOB PEAKS ISLAND!

Forty-one people came to the American Red Cross Blood Drive and over \$350 was pledged to the American Heart Association. Thanks to all who made phone calls, donated blood, volunteered on the day of the drive, and who hula-hooped and/or jump-roped for health. The day was a huge success.

PINA NEWS

Casco Bay Lines made its annual informational presentation to Peaks Islanders at the July general meeting of the Peaks Island Neighborhood Association. The presentation focused primarily on plans for the new boat to be purchased, a passenger ship to be used primarily on downbay runs. It is anticipated that the Maquoit will handle most downbay freight. CBL Director Ron Shaw said that the new boat should be able to handle cars so that the line would not be dependent on Plante Associates as a backup to the Machigonne. The boat design will be influenced by results of the rider survey conducted in March. Several Peaks Islanders suggested design and use changes. CBL General Manager Pat Christian discussed plans for expansion of the Portland terminal. Audience members suggested several ways to reduce ticket costs for Islanders that would not significantly cut revenues from visitors. Year-round car ferry and family tickets were suggested as were car round-trip tickets cheaper starting on Peaks than starting on the mainland.

Proposed by-laws changes to be voted on at the August general meeting were presented. The changes are designed to simplify the election process, to provide flexibility in setting membership dues, and to allow the membership of the Steering Committee to vary between six and nine members. They also provide that elections be publicized, that the vice president become temporary acting president if the president is incapacitated, that PINA funds be in an interest-bearing account if of significant size, that the Steering Committee name a PINA member as legal counsel, and that the number of members required to sign a petition for a special membership meeting be reduced from fifteen to ten. The exact wording of the proposed changes will be in the library and posted on the PINA bulletin board.

The annual election to fill vacancies on the Steering Committee will be held at the August general meeting. We remind everyone that PINA is the primary vehicle for Island views to be communicated to the City of Portland, and that it behooves all of us to monitor trends and events that affect us. There is much interest in PINA when there are major controversies, but we should be pro-active to avoid these when possible. **WE WANT YOUR INPUT, AND YOU CAN EFFECTIVELY VOICE IT AS A MEMBER OF THE STEERING COMMITTEE. ALL ISLANDERS INTERESTED IN RUNNING FOR THE STEERING COMMITTEE SHOULD CALL JUDY PIAWLOCK AT 766-2109 OR PRESIDENT BILL HALL AT 766-2514.**

THE GENERAL MEETING WILL BE HELD AT 7:30 ON AUGUST 13 AT THE COMMUNITY CENTER.

PEAKS ISLAND MUSIC ASSOCIATION

Thanks to all of the islanders and visitors who helped to make our benefit concert for the Health Center a huge success. Special thanks to the performers: Chris Moore, Gary Brookman, Dainius & Aurimas Bukauskas, Austin & Max Lang, Sophia Tobin, Norma Floyd, Ellis Ducharme, Charley Friedman, Jackie Clifford, Faith York, Larry Ducharme, George & Cevia Rosol, and Starr Demitre; to Jane Banquer for contributing her original artwork; to ticket and raffle salesmen Phil Friedman and Ben Snyder; and to Lisa Lynch and Josh for the delicious refreshments.

Wednesday Evening Series at the Fifth Maine

To quote a well-traveled audience member after last year's performance by Rand and Gannett competition winners, "That was the most beautiful concert I have ever had the privilege to hear." Sadly, it was one of the least well-attended last season. So don't miss the **August 7** concert when a group of super-talented young Mainers will come to Peaks Island to thrill us with their music. Two Peaks favorites, Elizabeth Marshall, soprano, and Theresa Herold, contralto, will be returning for their third performance at the Fifth Maine series. Both are previous Rand winners and both were in PORT's production of "Dr. Miracle" earlier this summer. Joining them will be Ken Ordway, classical saxophone, among others. Yu-Fen Yang, faculty member of the Portland Conservatory, will be accompanist. PIMA will present the 2002 Barbara Goelman Music Scholarship to a young Peaks Islander on that evening as well. The **August 21** concert will feature our own Peaks Island Chorale, directed by Faith York, in a program of songs about nature, "On This Shining Night." Both concerts begin at 8 p.m. and a \$4 donation is requested.

Call for Volunteers

The Music Association is still seeking volunteers (young or old) to help set up chairs for the Wednesday night concert series. You will be our guests at the concert and can also earn community service hours. If you'd like to give us a hand, call George at 0059. Our thanks to Peter Siegenthaler, Chris Talbot, and Ben Snyder, who helped set up the last concert.

Annie Sibley O'Brien's "White Lies" comes to Brackett Memorial UMC August 9th & 10th at 8 pm.

"White Lies" is a one-woman theater piece, written and performed by Anne Sibley O'Brien. Using storytelling, music, movement and metaphor, the piece presents O'Brien's struggle to heal from the patterns of racism, white supremacy, and white privilege. It traces how these patterns are acquired, what toll they take, and how they might be dismantled. A facilitated discussion will follow each performance. Annie, a Peaks Islander, is well known as an illustrator and author of children's books. In 1997 she won the National Education Association's Author-Illustrator Human & Civil Rights Award. Call 766-5013 for more information or tickets.
